

Canadian Securities Course Preparation

Skills for Change
Diversity at Work™

TechSkills offers only instructor-led classes. Our classes are limited in size so you have more hands-on interaction with the instructor. We provide experienced instructors, quality training materials and competitive pricing.

This preparation course is for those interested in seeking a license to work within the Canadian financial services industry. It is an important requirement to become certified as a mutual fund representative, an investment advisor, banking officer or financial planner.

You will cover the Body of Knowledge required to write the two exams administered by the Canadian Securities Institute to achieve the Canadian Securities Course certificate.

Course Outline:

- Canadian Investment Instruments
- Financial Statements
- Financial and Listing of Securities
- Fundamental and Technical Analysis
- Mutual Funds
- Canadian Taxation
