

Project Management Preparation (PMP)

Skills for Change
Diversity at Work™

TechSkills offers only instructor-led classes. Our classes are limited in size so you have more hands-on interaction with the instructor. We provide experienced instructors, quality training materials and competitive pricing.

Project Management Preparation Course will Develop your skills in Project Management as well as prepares you to write the Certification Exam on PMI & CAMPM.

Course is designed for those who are...

- Project Managers
- Team Leaders
- Team members who want to formalize their experiences and skills set according to the PMI Project Management methodology.
- Refresher on Project Management and Prepare for the Project Management Institute's PMP® exam.
- New to the Project Management Process

Course Content

- Project Management Basics
- Project Life Cycle
- PMI Project Management Knowledge Areas
- Project Management Skills
